

**VETRO
COLOR**
italian glass for coverings

Vetro Color rappresenta un'eccellenza italiana della manifattura del vetro grazie alle sapienti mani di artigiani che mantengono vive le antiche lavorazioni artigianali del vetro. Grazie alla ricerca e all'innovazione abbiamo ottenuto un prodotto ricco, di carattere, dai mille volti.

Dalla fusione alla doratura di lastre, piastrelle, lavabi in vetro e altri complementi, abbiamo tratto collezioni uniche e originali che fondono l'antica maestria artistica alla contemporaneità del design e dello stile made in Italy.

Vetro Color represents an Italian excellence in the field of glass manufacturers thanks to knowledgeable artisans who keep alive antique and traditional work techniques.

By means of the continuous research and innovation we obtained a rich, creative product with a thousand faces.

By the fusion and the gilding of glass tiles, slabs, washbasins and other furnishings, we create original and unique collections that hold together the artistic know how and the contemporary design style made in Italy

**VETRO
COLOR**
italian glass for coverings

P R E C I O U S

Colori vibranti, pregiati e finiture uniche impreziosiscono la purezza e l'eterea eleganza del vetro.
Bright, rich colors and unique finishes embellish the purity and elegance of glass.

HERITAGE

I nostri prodotti nascono dalle sapienti mani di artigiani che mantengono vive le antiche tecniche di lavorazione manuale.

Our products come to life thanks to knowledgeable artisans who keep alive antique and traditional work techniques.

AESTHETICS

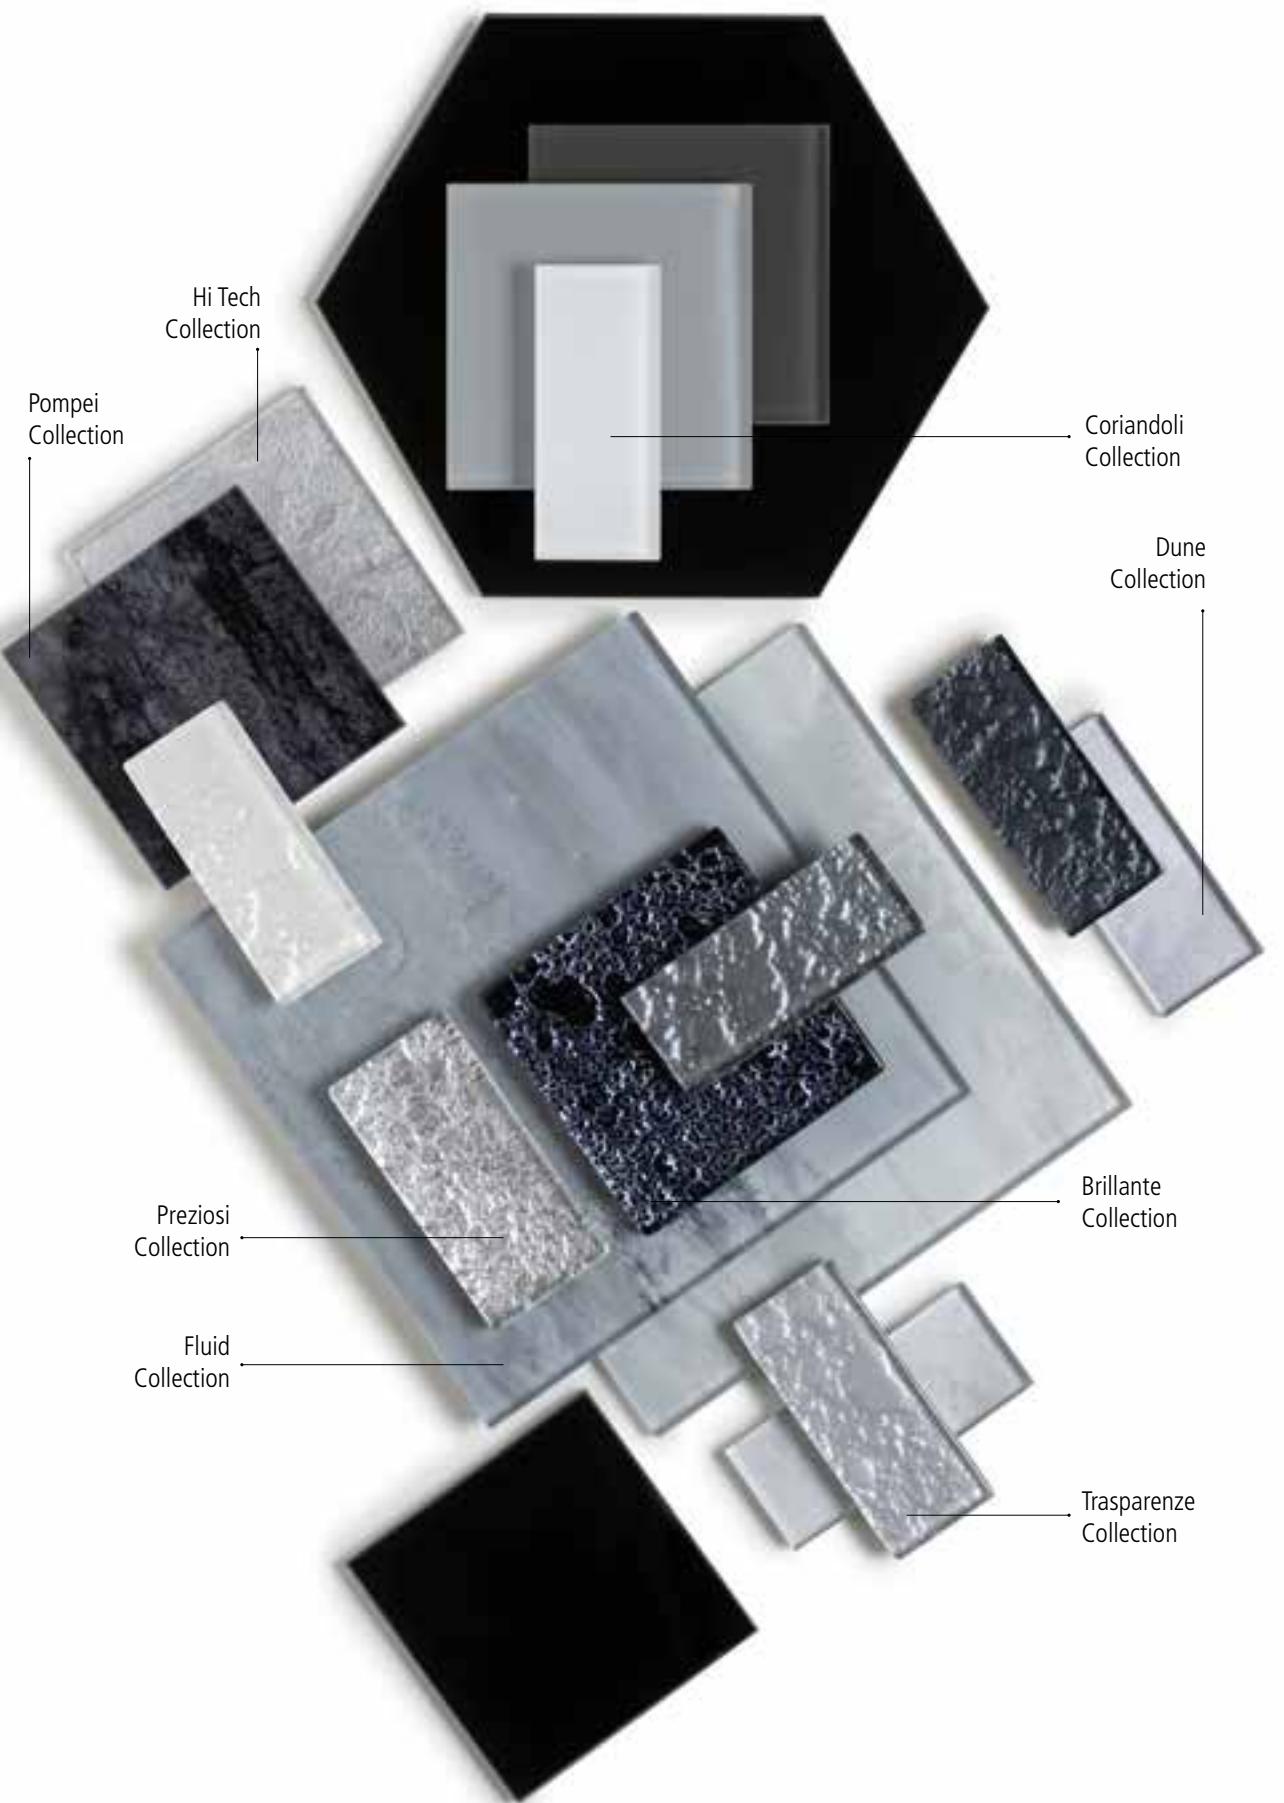

La purezza del vetro esalta le finiture che traggono ispirazione dalle texture naturali. onde fluide e sinuose, colori brillanti, preziose foglie metalliche e una gamma cromatica molto variegata, permettono di creare combinazioni personalizzate, uniche.

Dagli accostamenti più delicati a quelli più audaci gli ambienti assumono carattere e personalità. Lasciatevi ispirare!

The purest glass exalts the finishings that take inspiration from the natural textures. fluid and sinuous waves, bright colors, metallic leaves, and a large color range, allow to create personalized combinations. from the softest mix to the most standing out ones, your projects become stylish and unique. be inspired!

BACK TO BLACK

La classica eleganza della combinazione del bianco e nero rinnovata dal grigio perla e dalla ricchezza dell'argento.
The eternal elegance of the black and white, renewed by the pearly grey and the richness of silver.

SANDSTORM

Le tinte neutre combinate alle texture sinuose, donano carattere e profondità ad una palette elegante ed esotica.
Neutral tones combined to the sinuous textures, give character and intensity to an elegant and exotic palette.

B R O W N S U G A R

Delicate sfumature beige e rosa illuminate dal bianco perlaceo.
Delicate shades of beige and pink brightened up by a perlescent white.

EARTH BEATS

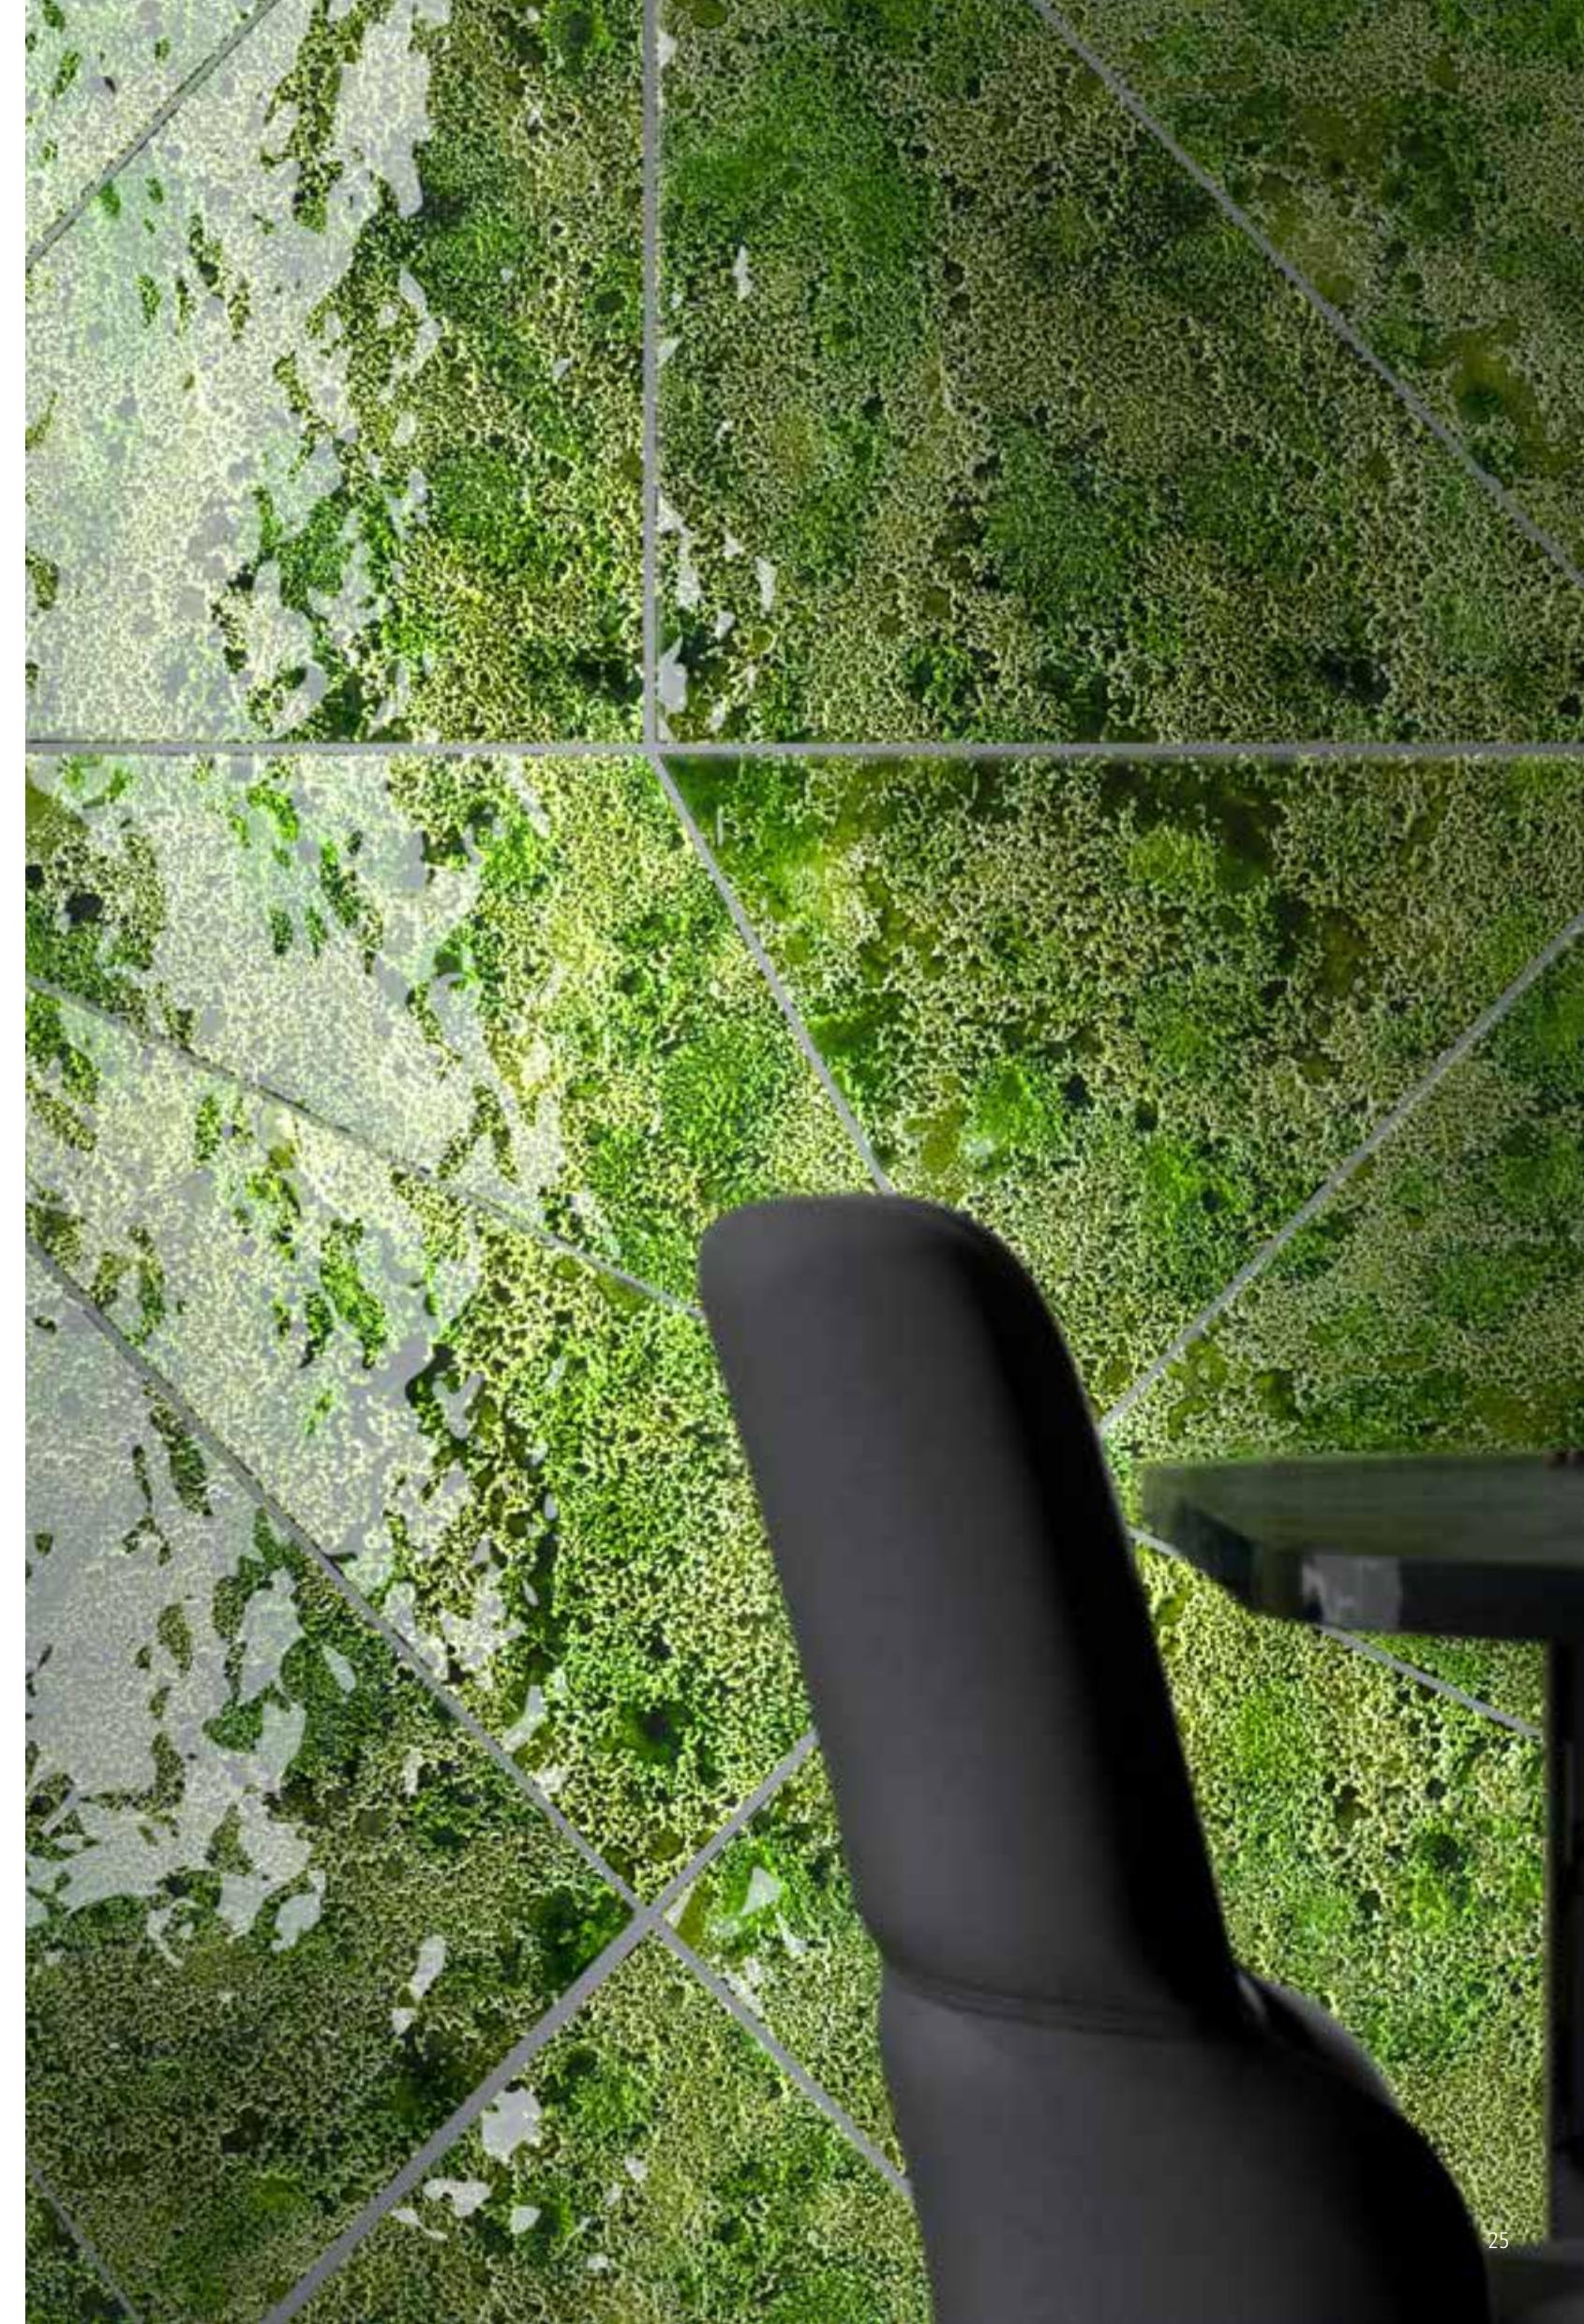

Tutti i toni naturali della terra arricchiti da finiture fluide e riflessi argentei.
All the natural shades of the earth embellished by fluid finishes and precious silvery reflexes.

GREEN EYES

Verde primordiale che ricorda corteccia o muschio, abbinato all'energizzante verde lime o al ricco argento percorso da radici brune.
Ancestral green that reminds us wild cortex and musk with the energizing green lime and rich silver, where brown roots run freely.

RAINBOW CONNECTION

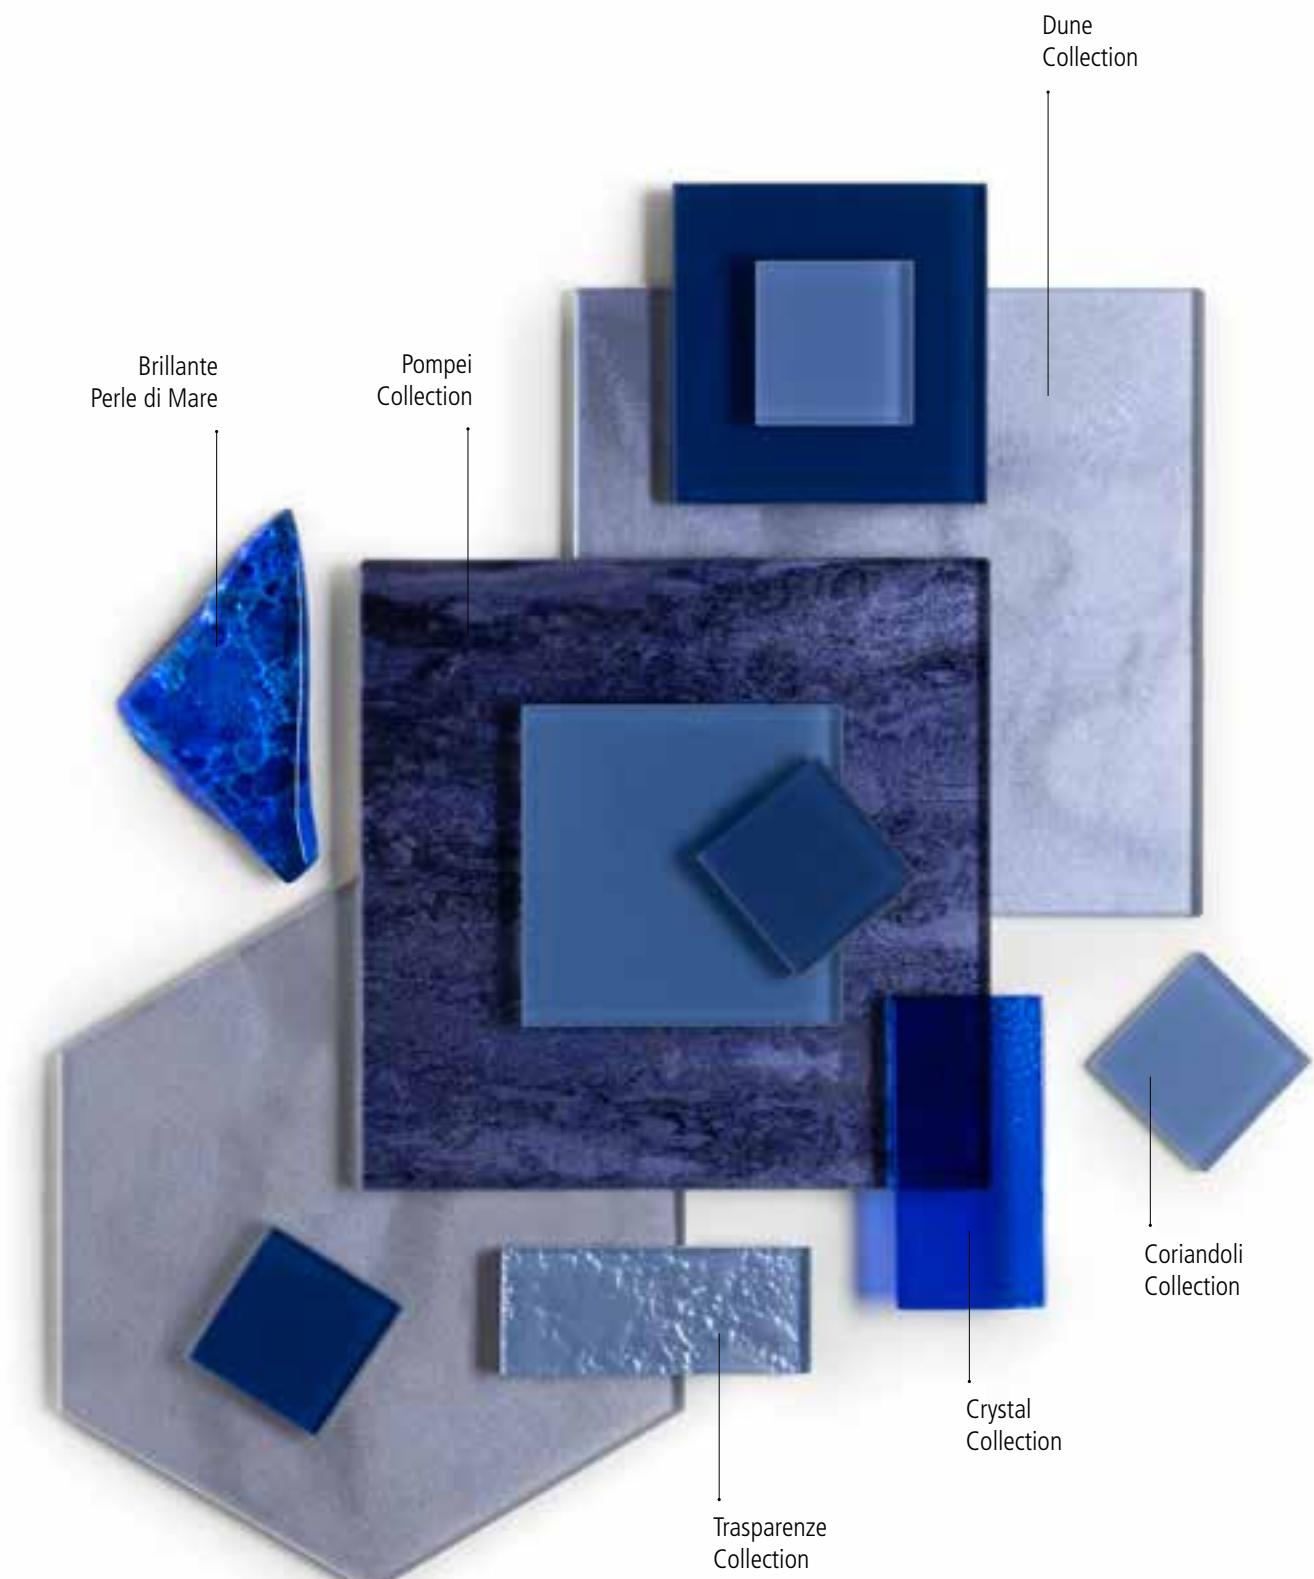

Il vetro cattura tutte le rifrazioni della luce offrendo in un mix sgargiante di colori vivaci.
Glass captures all the refractions of light and it offers us a gaudy mix of bright colors.

R H A P S O D Y I N B L U E

La freschezza delle tonalità del blu in un connubio di texture ed effetti ottici tridimensionali.
The freshness of the hues of blue with a mix of textures and optical 3D effects.

PURPLE RAIN

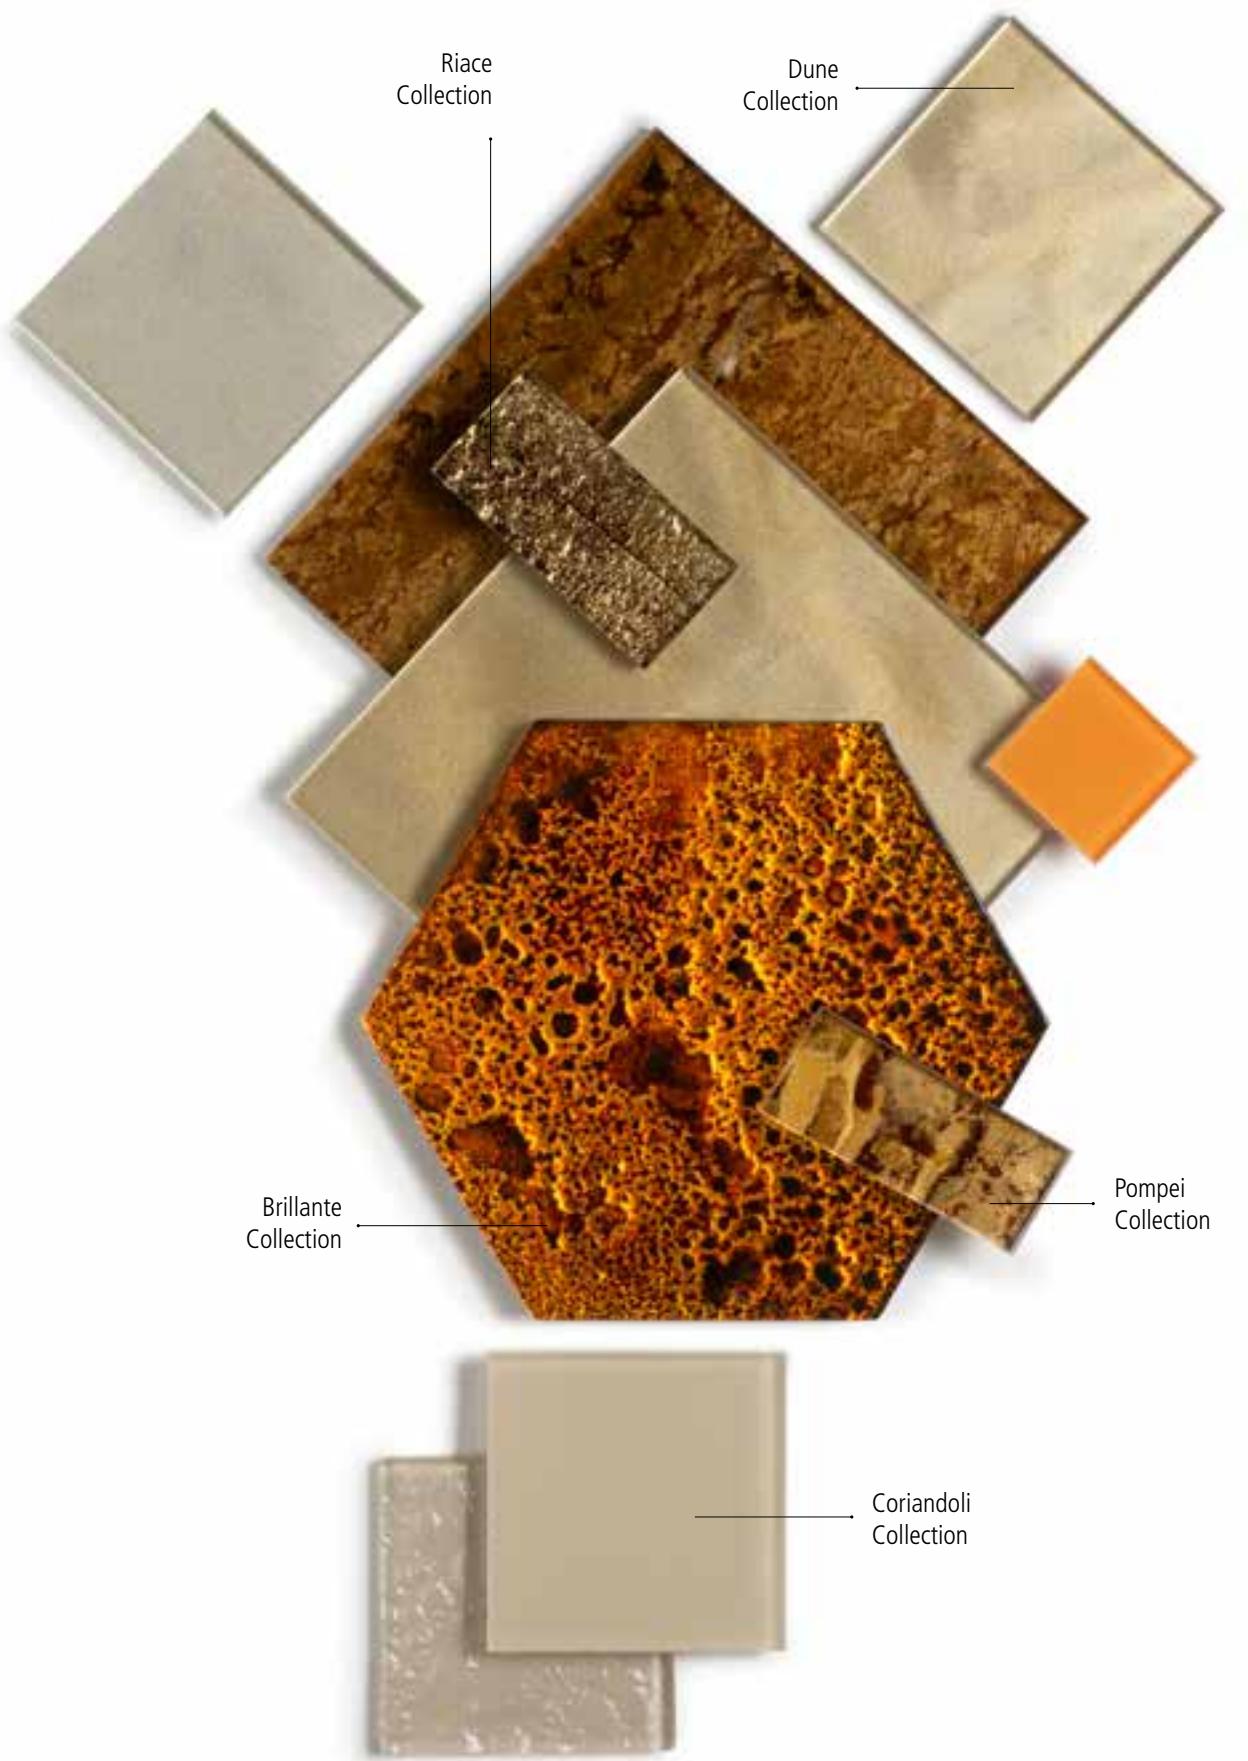

Affascinante palette di tonalità viola allietate dalla dolcezza dei toni rosa.

Fascinating palette of purple tones cheered by the sweetness of pink.

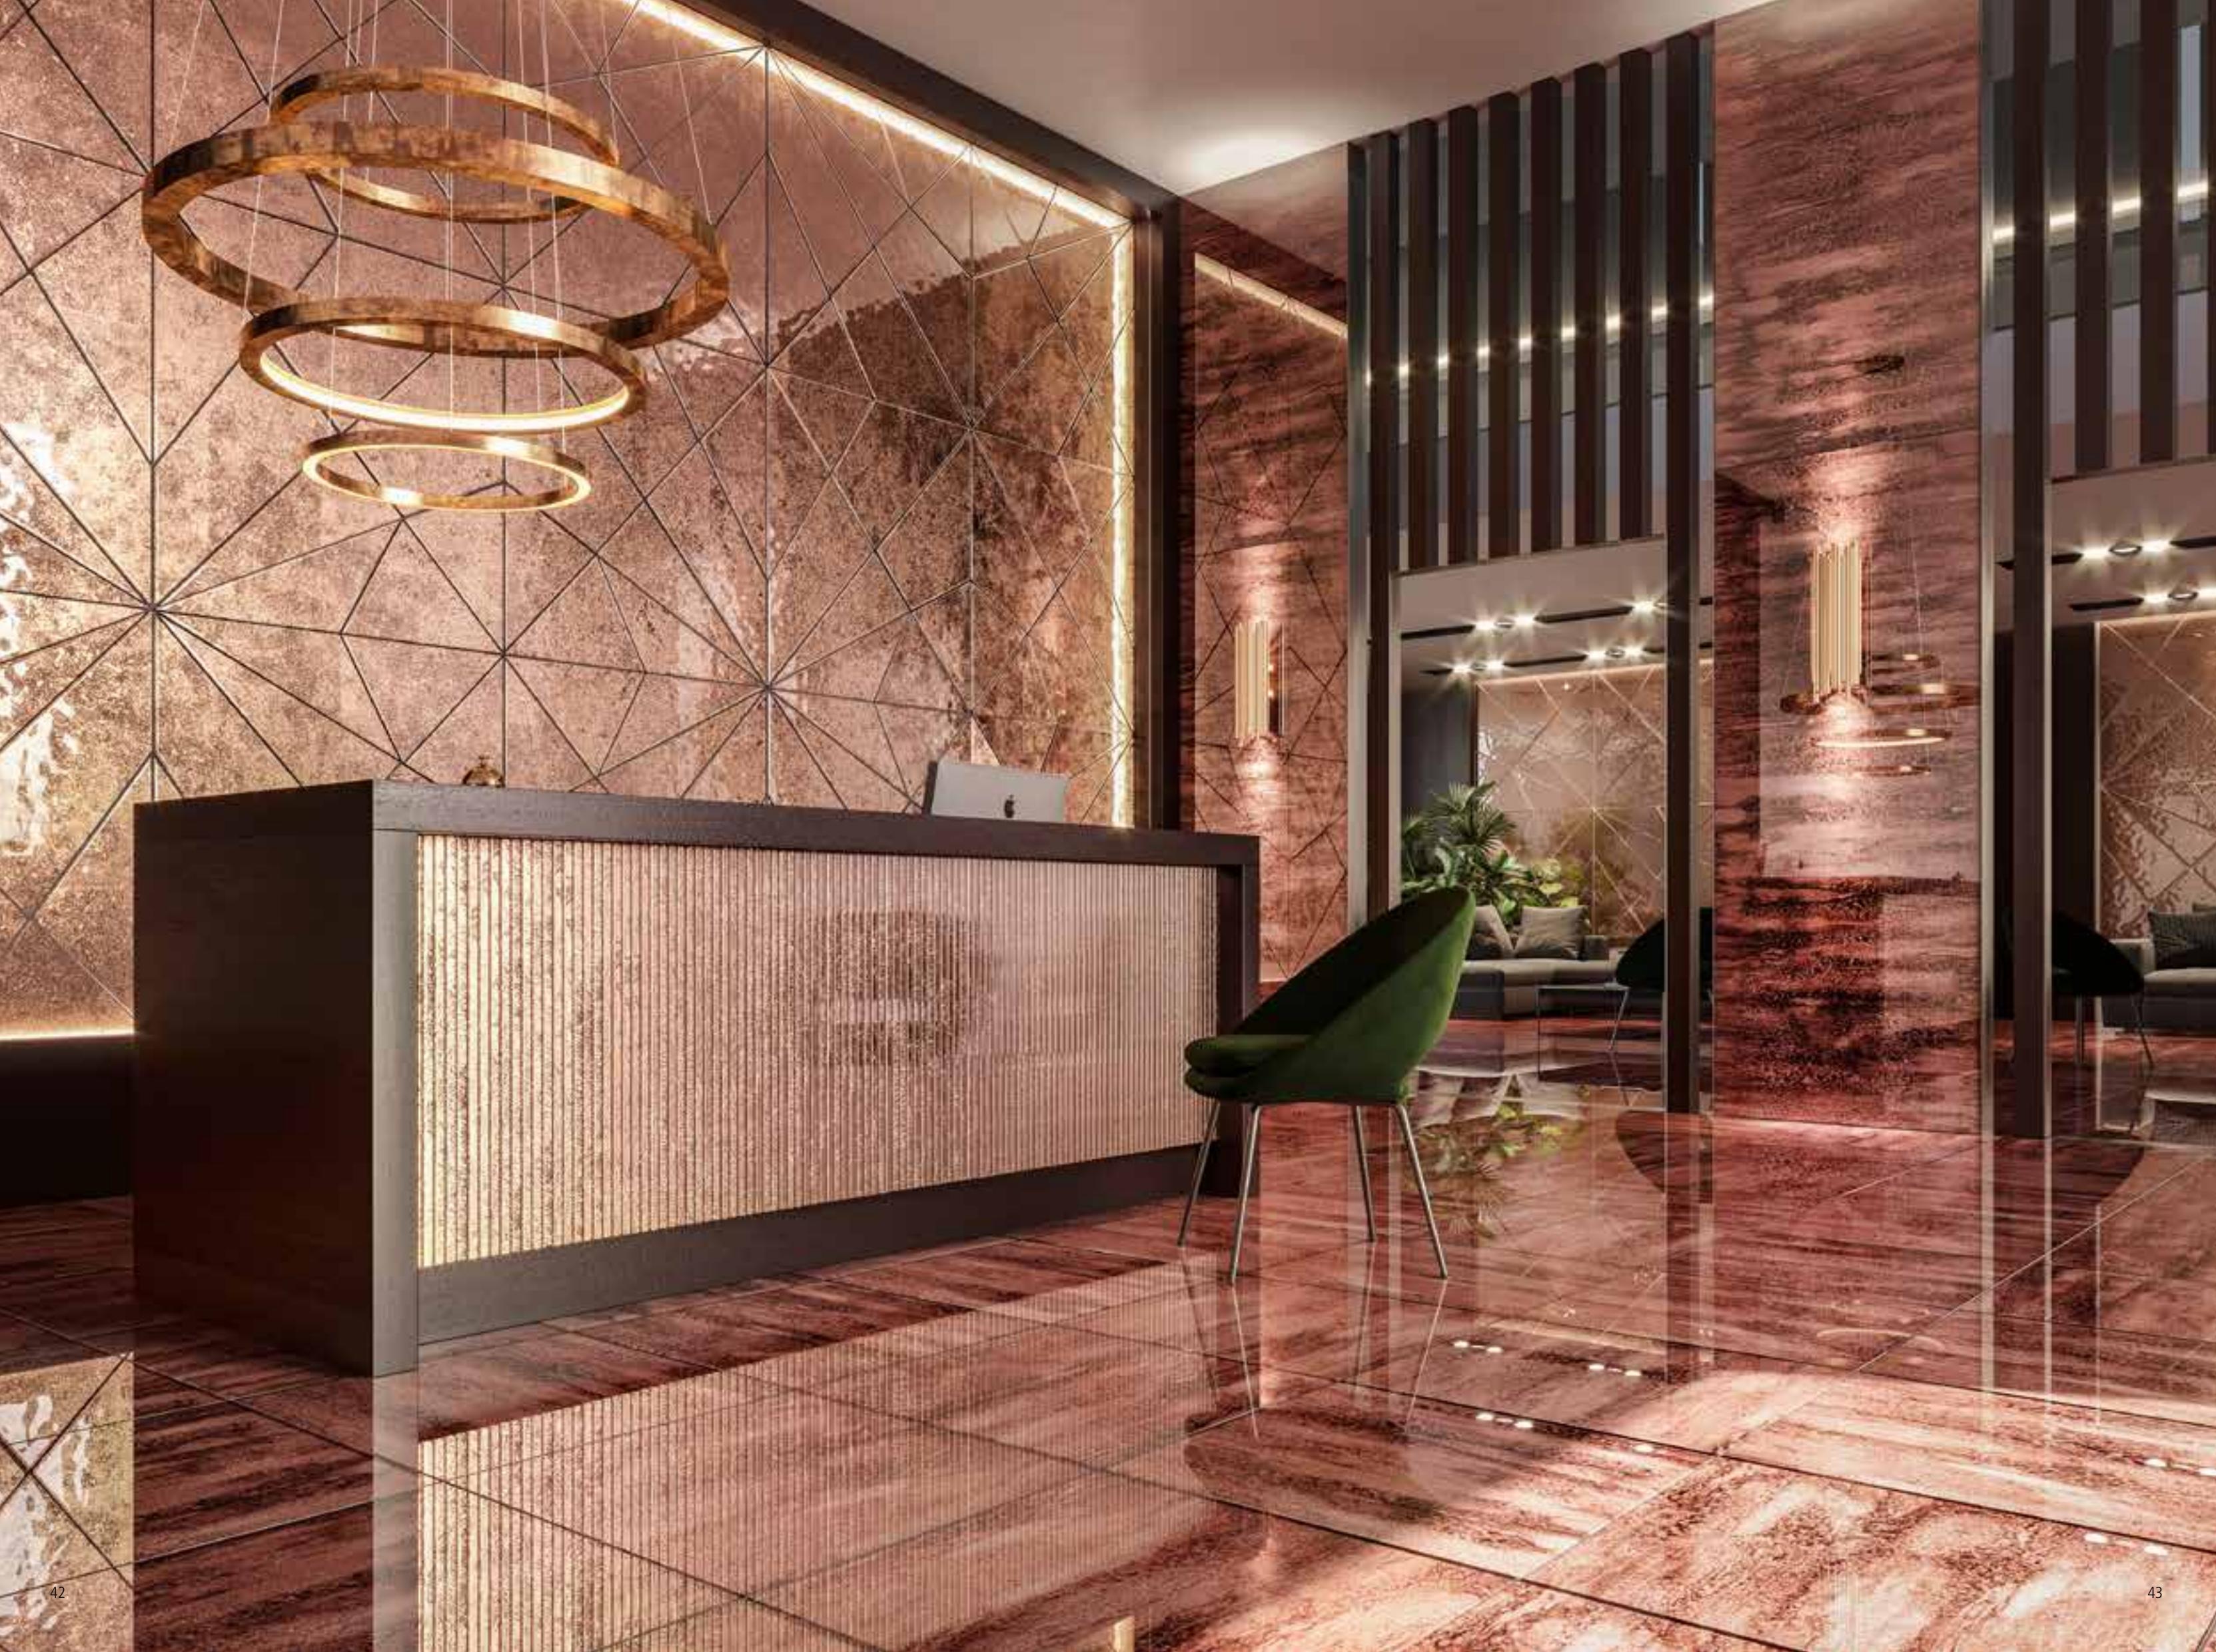

ORANGE CRUSH

L'energia dell'arancio trasmessa dalle diverse finiture naturali: terra fuoco e astri si allineano.
The energy of the orange transmitted by the finishes inspired by nature: earth, fire and stars come together.

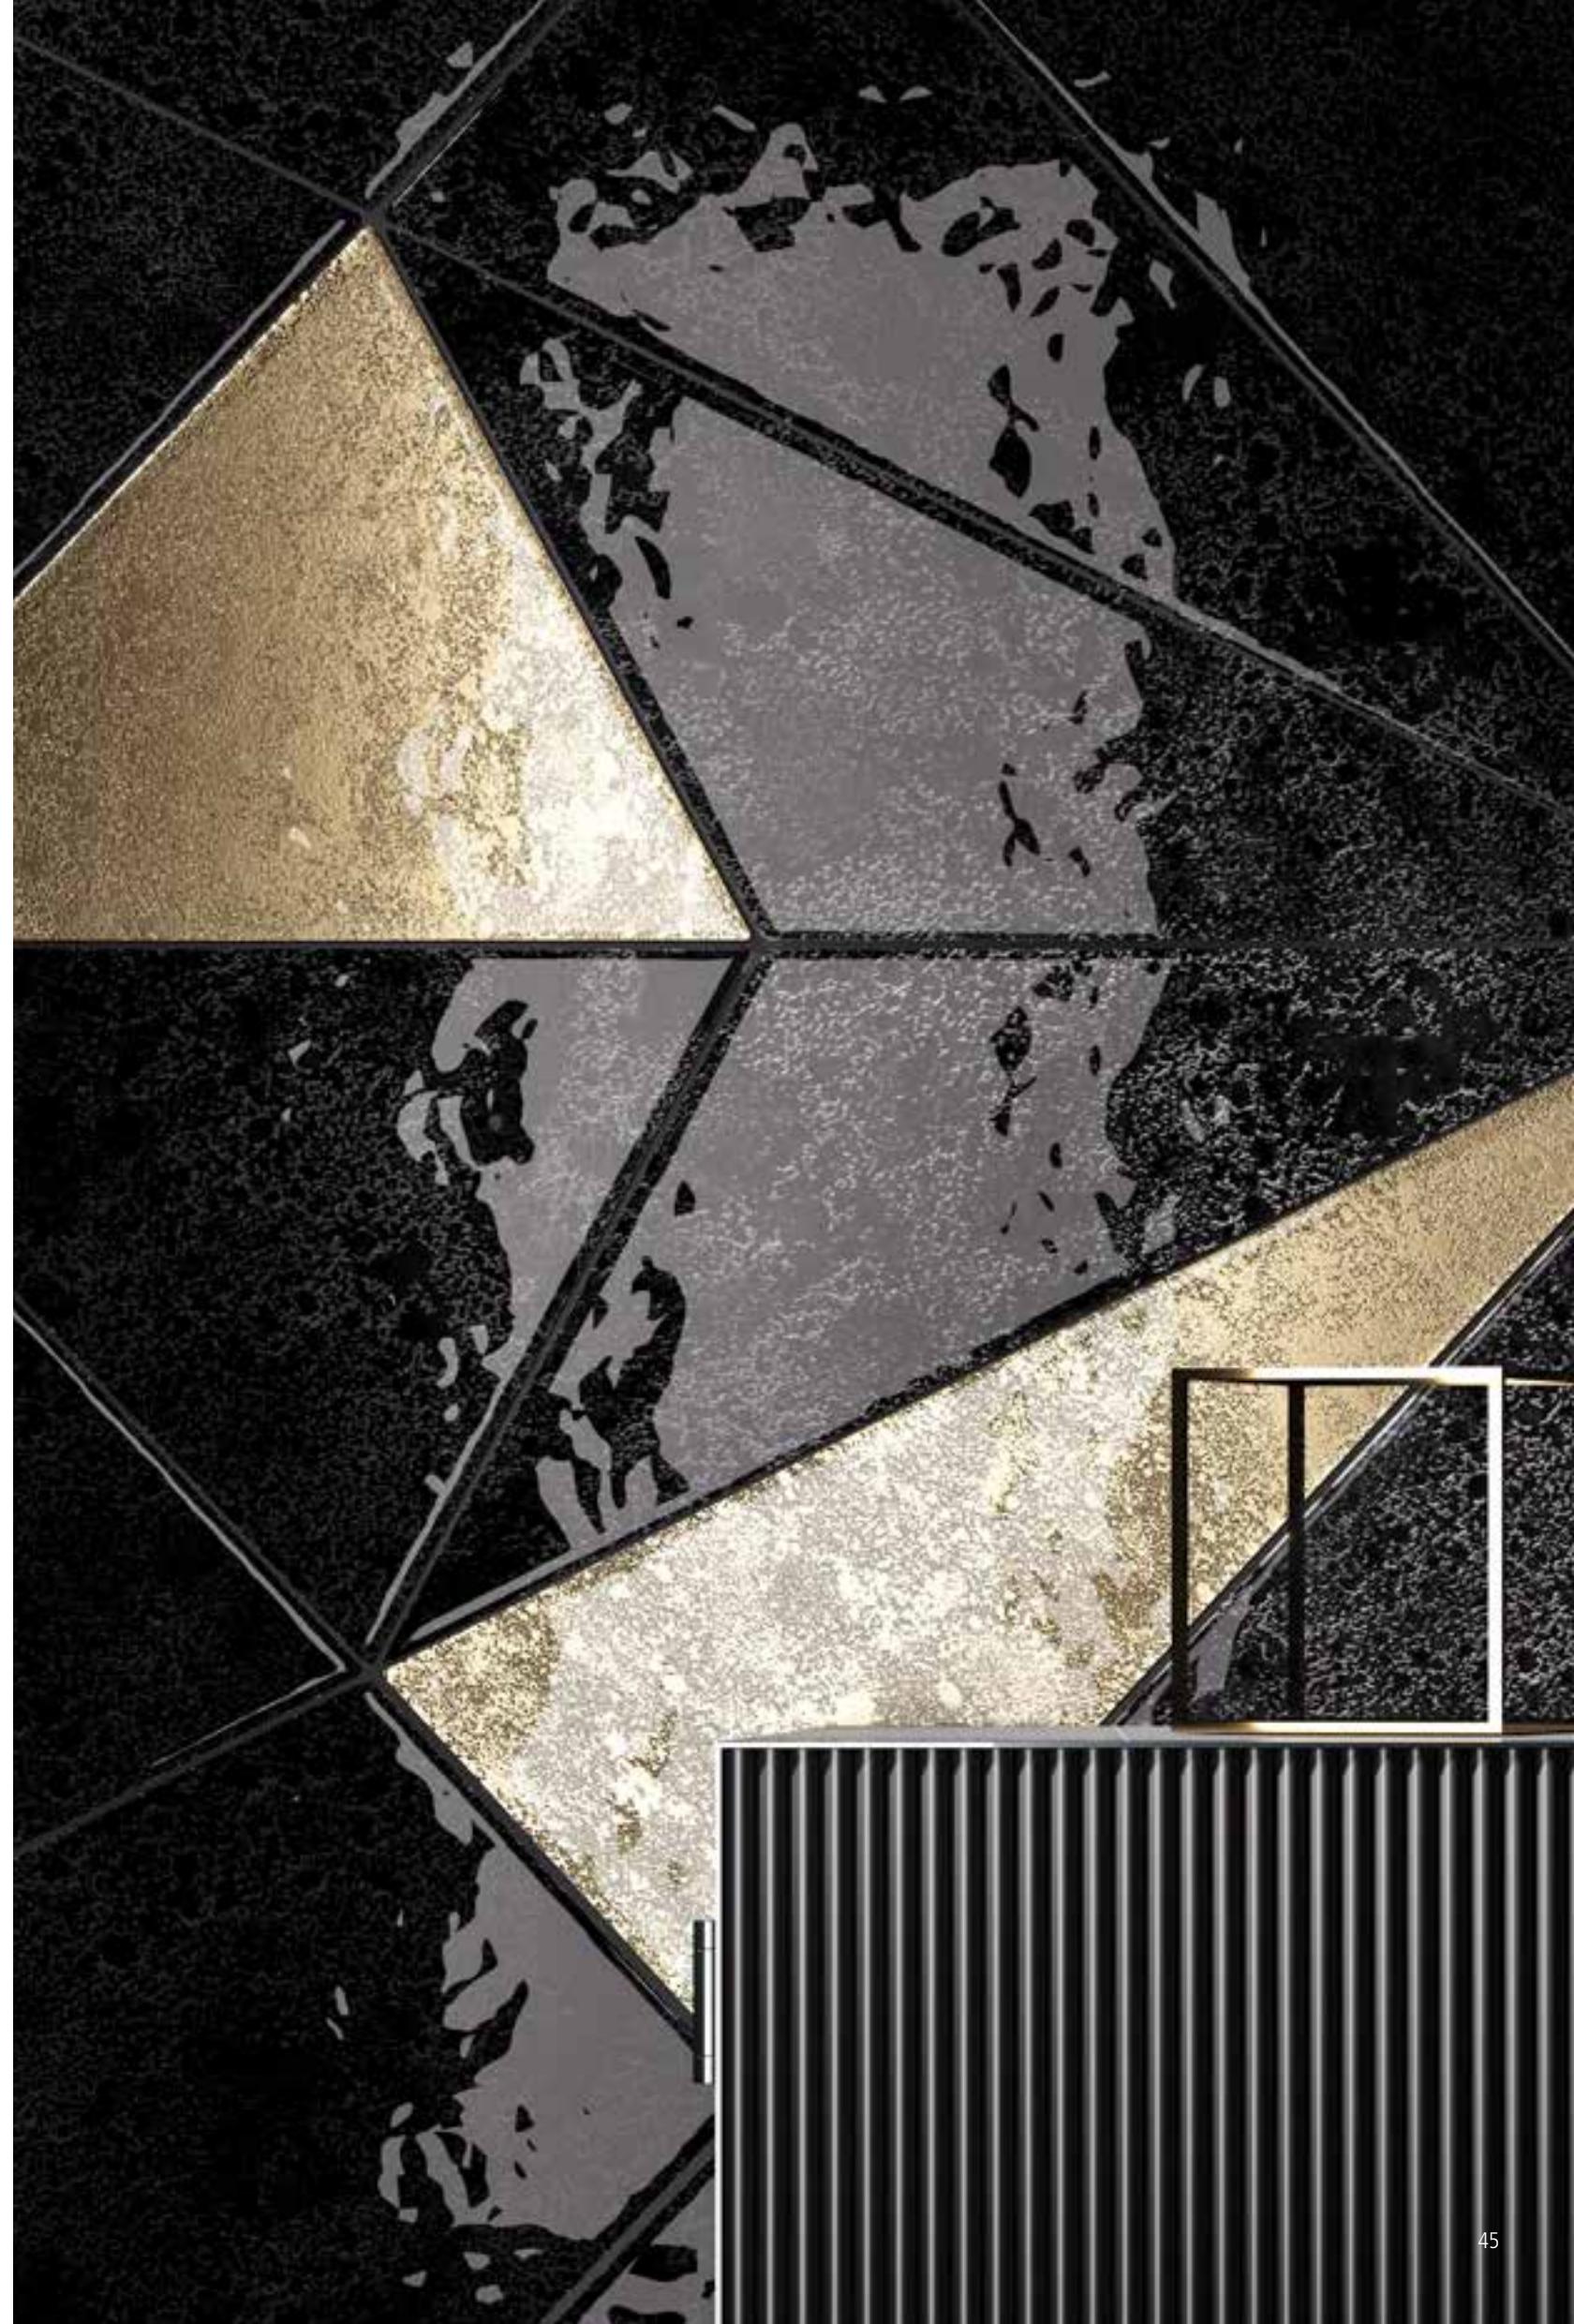

HEART OF GOLD

La preziosità dell'oro esaltata dalla trasparenza del vetro grazie all'antica tecnica artigianale della doratura.
Precious gold exalted by the transparency of glass thanks to the antique handcrafted technique of gilding.

FOCUS ON BATHROOM

L'ambiente bagno è sicuramente il luogo per eccellenza dove il vetro trova la sua naturale applicazione. Vetro Color, oltre a presentare una vasta scelta di colori e finiture per pavimenti e rivestimenti, offre la possibilità di coordinare tutti i vari complementi: il termoarredo Caldovetro, il lavabo integrato, le lastre doccia, anche su misura, grazie alle lavorazioni artigianali.

The bathroom represents for sure the best place where glass finds its natural application. Vetro Color offers not just a complete range of colors and finishing for floor and cladding, but also all the furnishings. From the heater Caldovetro, to the washbasins and also the shower slabs that can be "tailor made" thanks to the handcrafted production.

PERFECT ILLUSION

Pepite dalle tinte forti che sprigionano i caratteri degli elementi naturali per una vera e propria cromoterapia.
Nuggets with magnetic colors that emanate the spirit of the natural elements for a real chromotherapy.

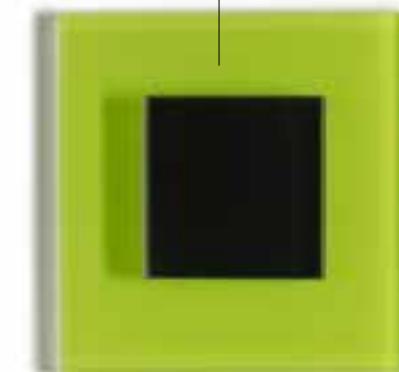

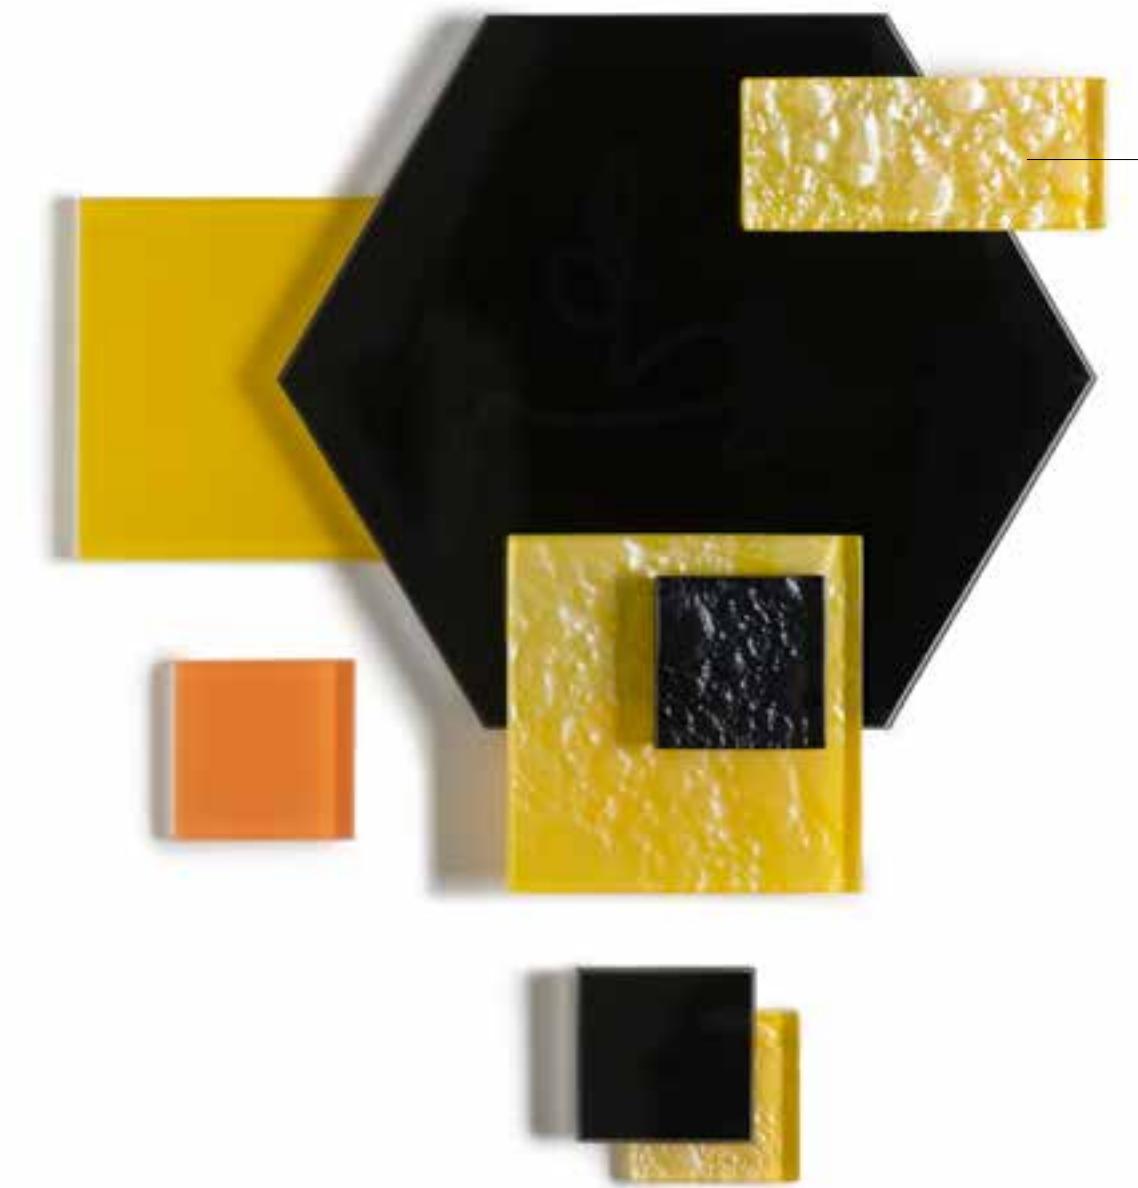

BLACK HONEY

I colori vivaci si prendono gioco della sobrietà eterna del nero.
The bright, strong colors make fun of the eternal sober black.

INTEGRATED WASHBASINS

Dalla fusione del vetro nascono i nostri lavabi integrati, ciò consente di personalizzare le misure per ottenere un prodotto su misura adatto ai vostri ambienti.

The integrated washbasins are made out of molten glass, this allows to personalize the dimensions to achieve a tailored product for every settings.

Spessore 19 mm per piani e lavabi coordinabili con rivestimenti, pavimenti e altri complementi.
19 mm thickness for tops and basins combinable with floors, coverings and other furnishings.

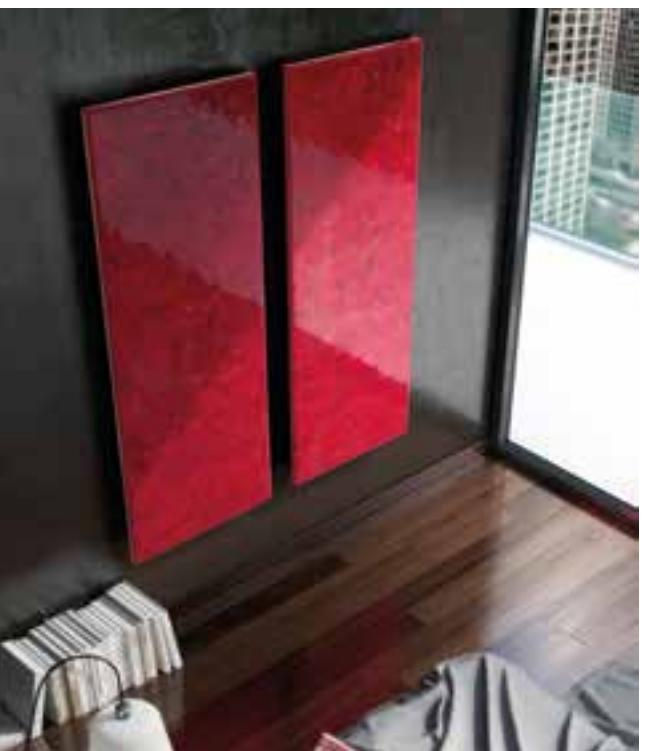

CALDO VETRO

Il vetro, da sempre un conduttore di calore naturale, scalda e arreda la tua casa.

Il Caldo Vetro, con la sua semplicità di installazione, sostiene il risparmio energetico nel rispetto dell'ambiente.

The glass, since ever a natural heat conductor, heats and furnishes your home.

The Caldo Vetro with its easy installation supports the energy saving in respect of environment.

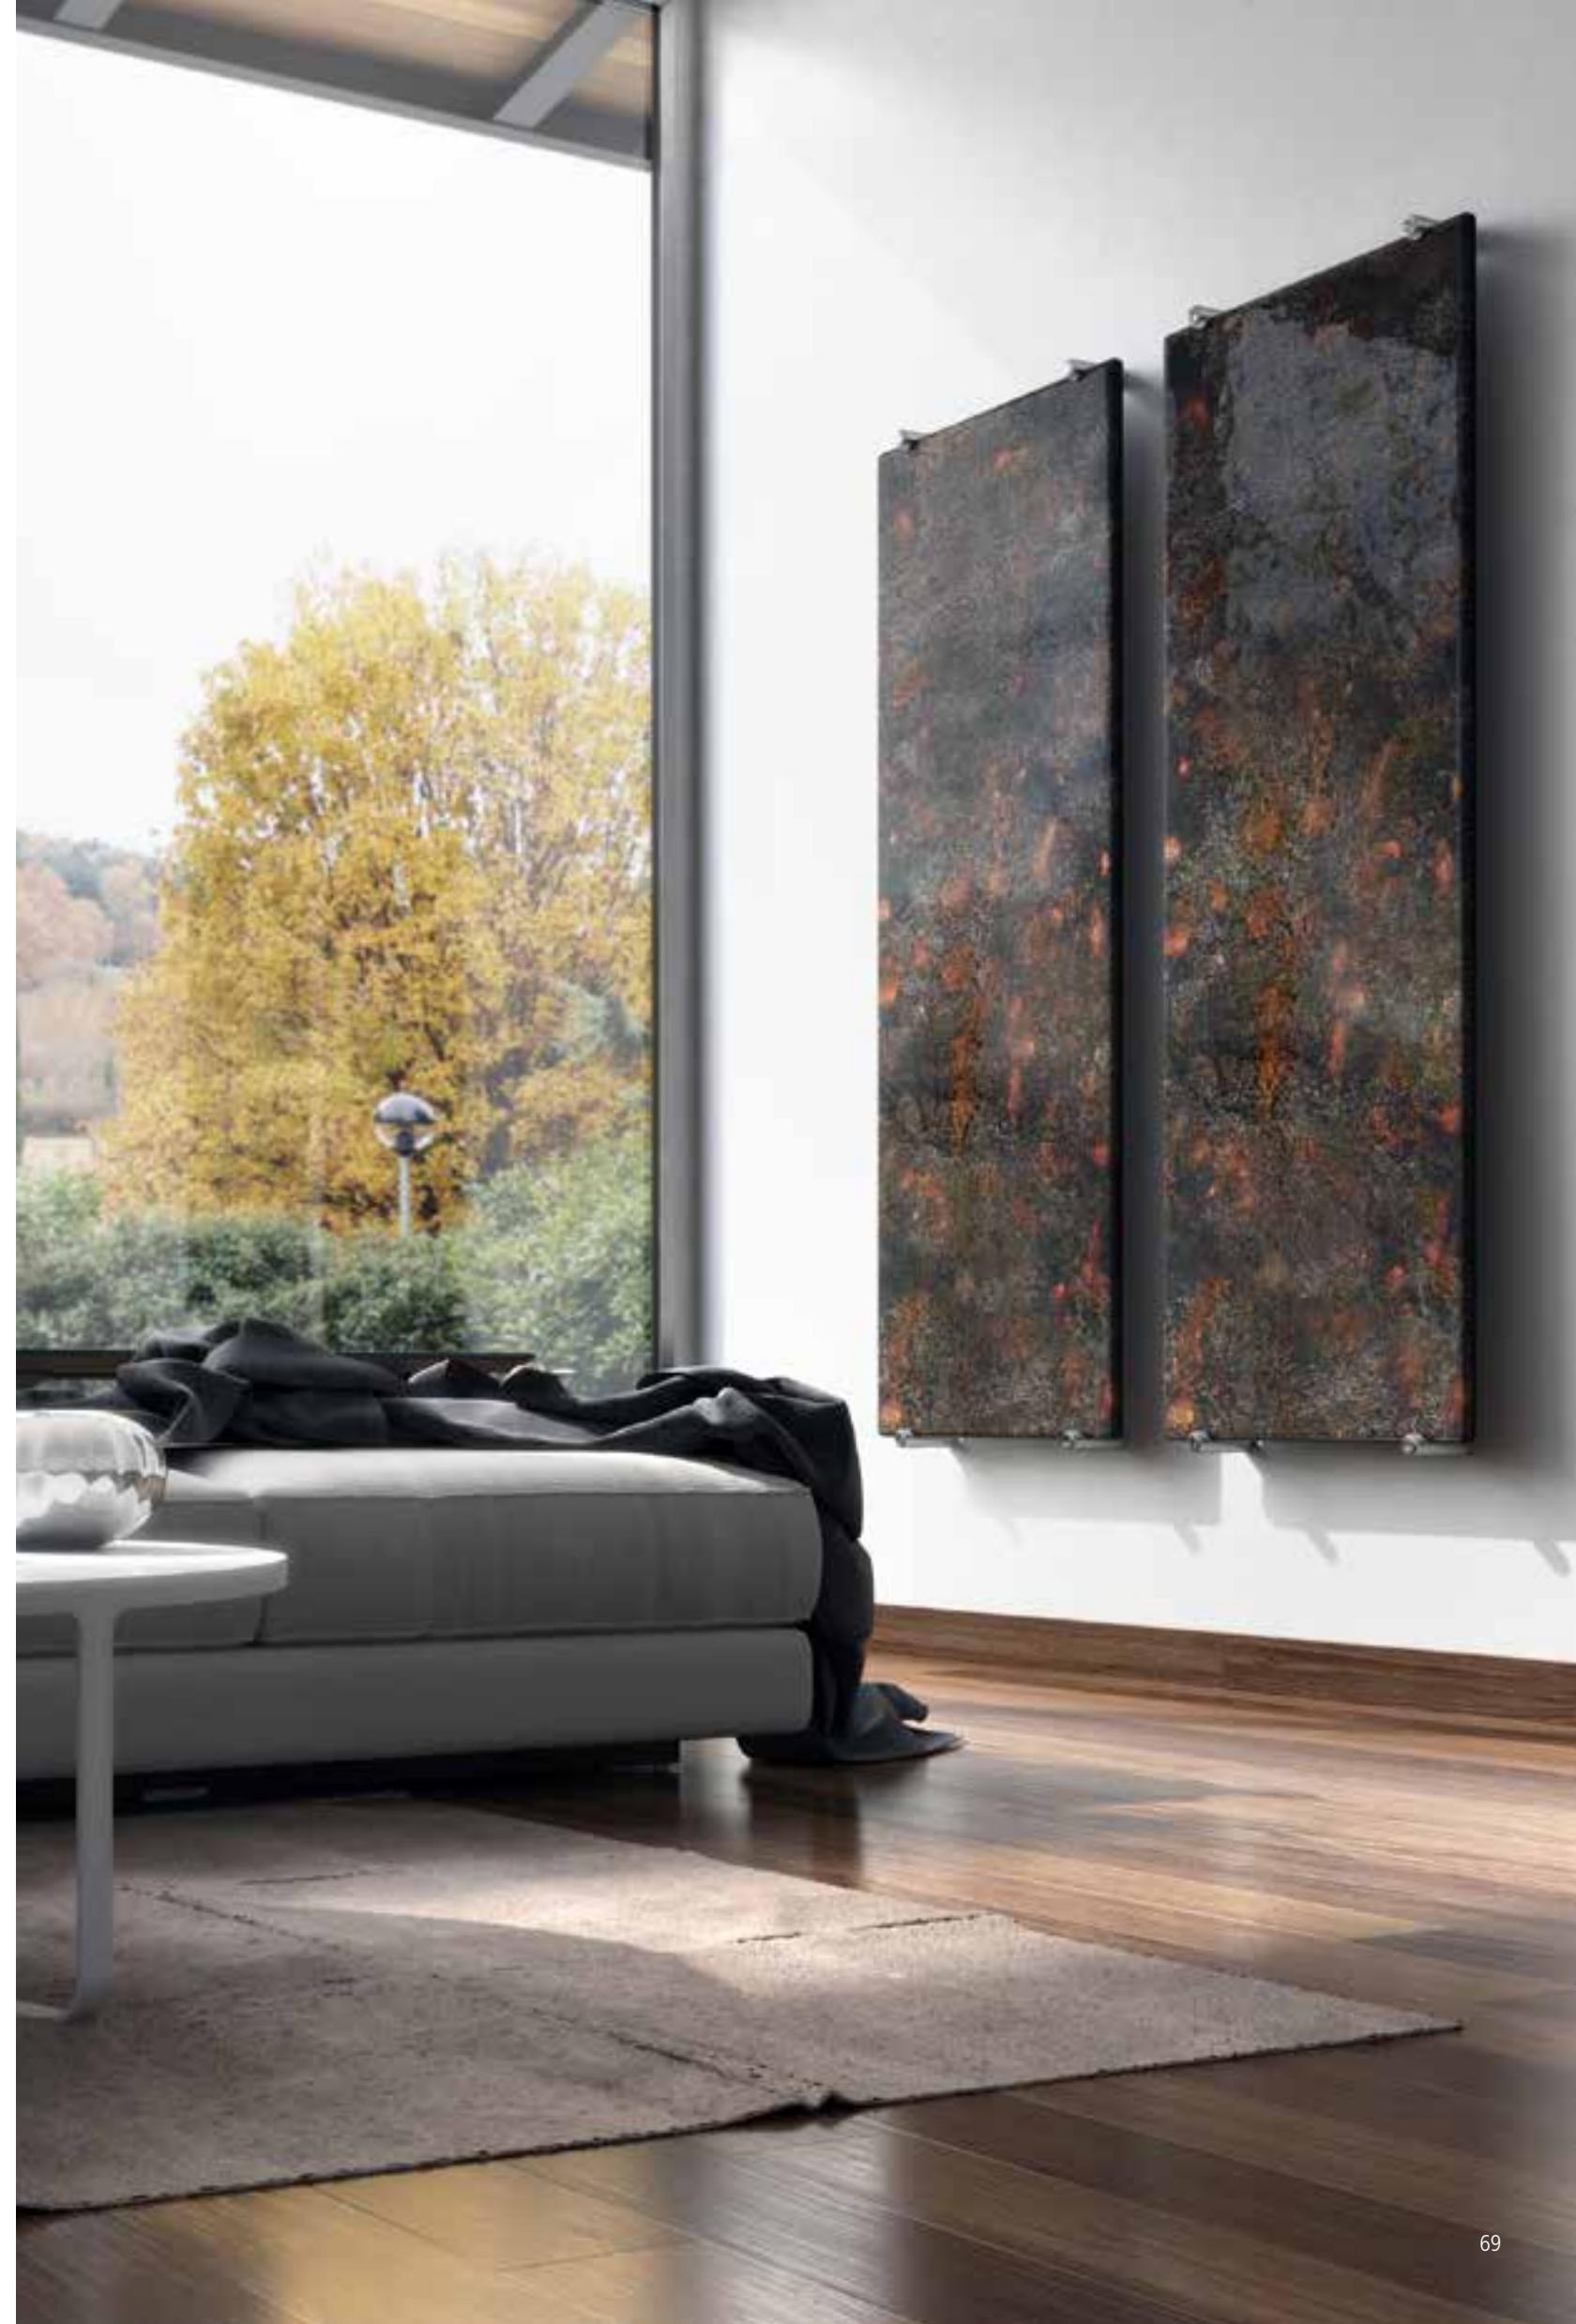

Vetro Color propone pannelli radianti in vetro con colori e finiture sorprendenti, belli da vedere, funzionali, dallo spessore sottile e con possibilità di personalizzazione dei colori e del decoro.

Piacevoli al tatto, irradiano il calore su tutta la superficie senza raggiungere una temperatura troppo elevata.

Vetro Color offers radiant glass panels with amazing finishes and colors, stunning and functional with its thin thickness allows the possibility to personalize colors and decor.

Pleasant to touch, it radiates the heat homogeneously through the surface without reaching a high temperature.

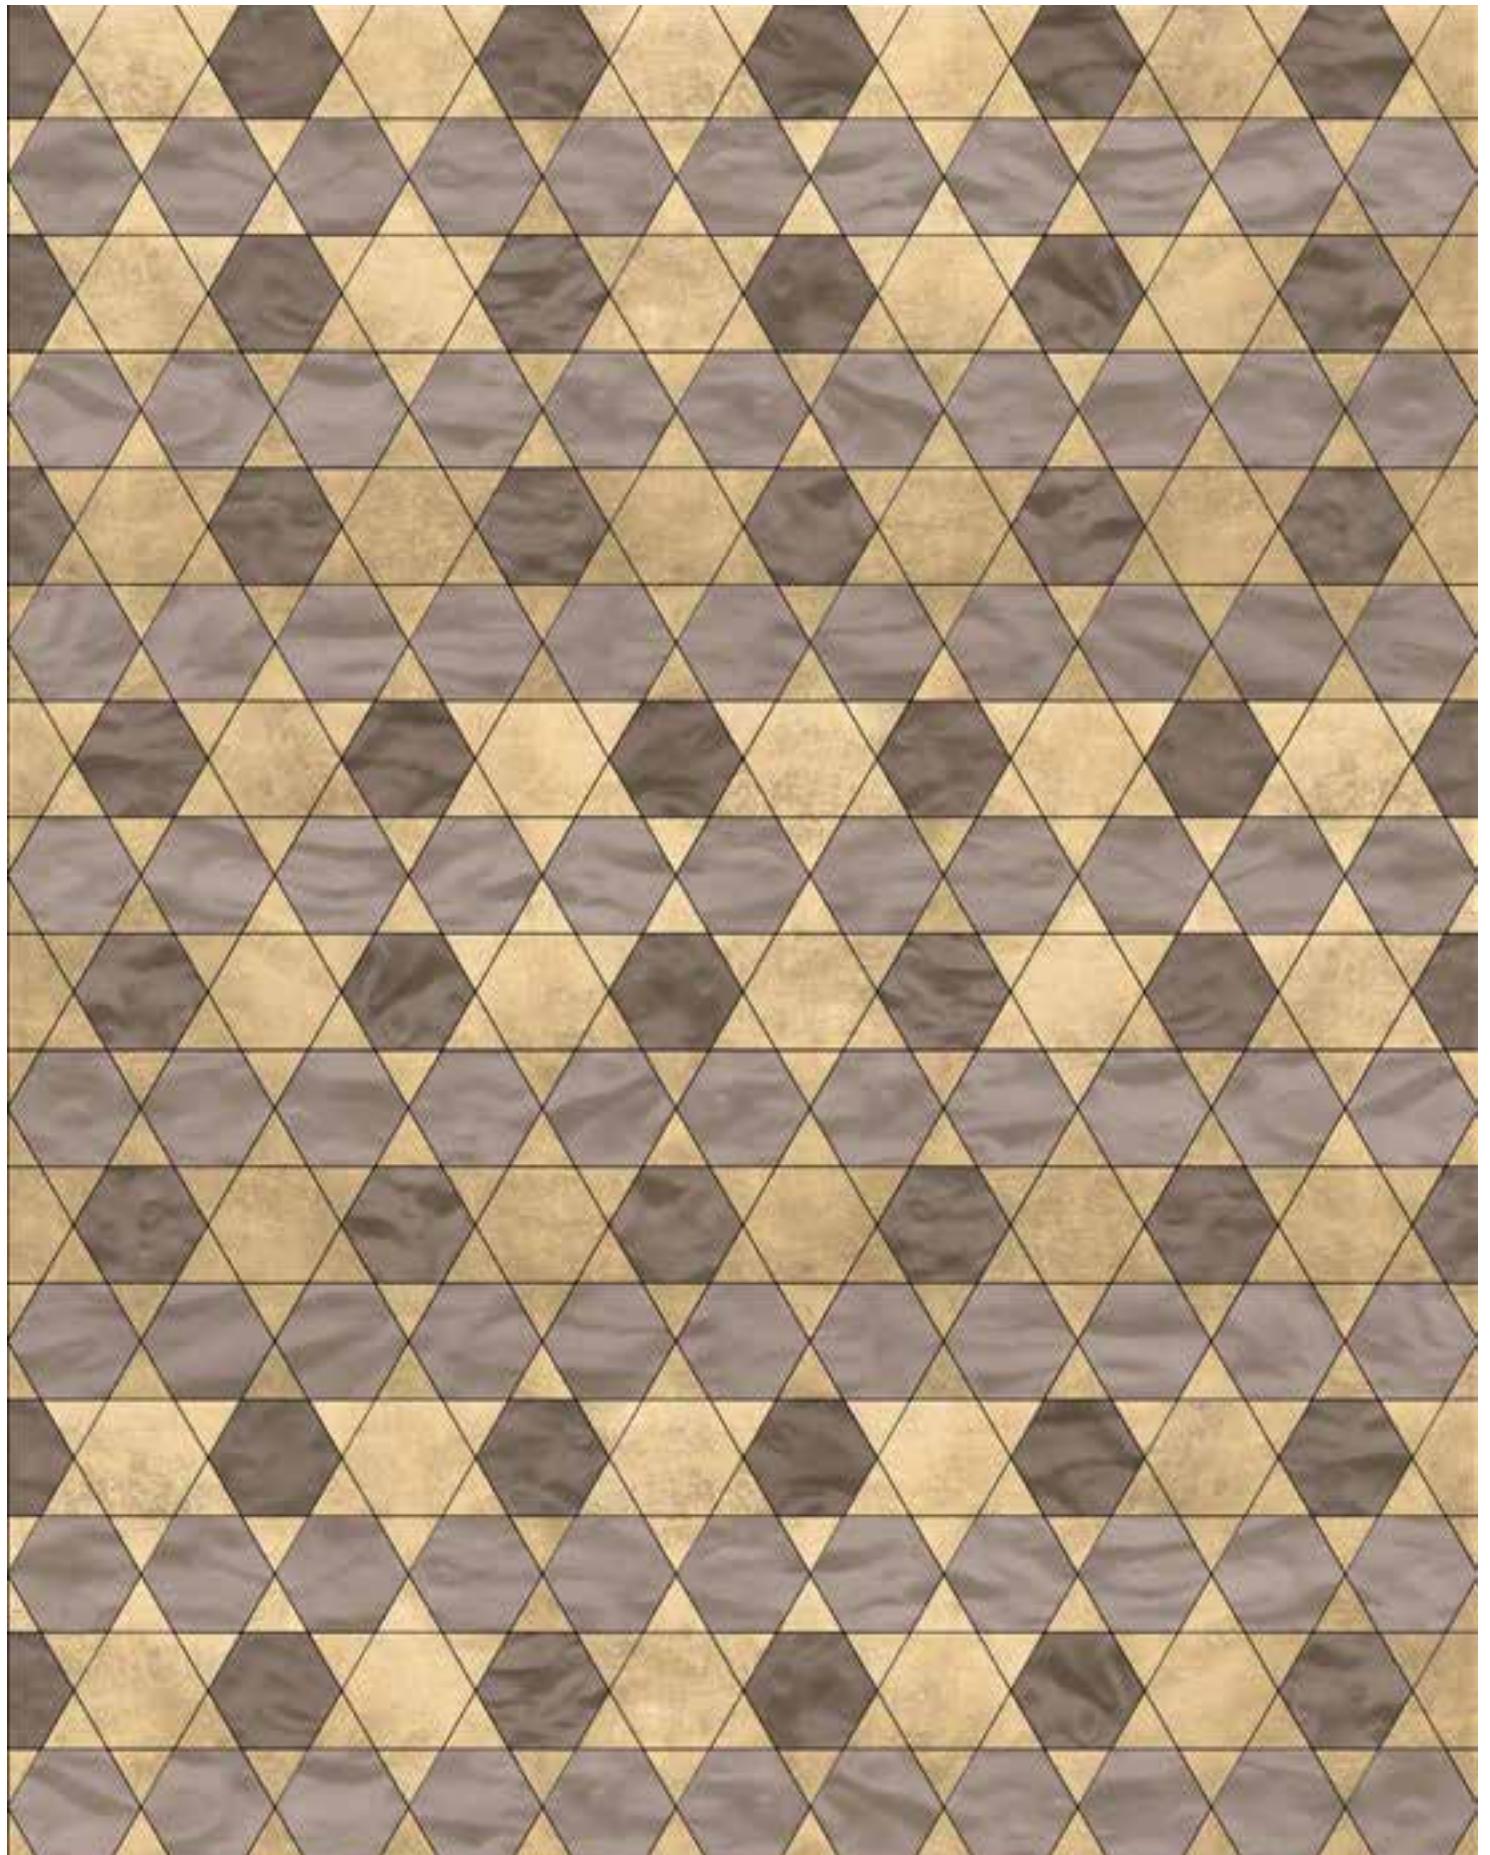

CREATIVE PATTERNS

Una selezione completa di pattern decorativi creati grazie alla combinazione di formati con stili diversi. La varietà dei disegni spazia dai più semplici, con linee dritte e pulite, a quelli più geometrici ed elaborati; ogni pattern può essere personalizzato accostando le varie finiture.

The complete selection of decorative patterns created by the combination of the formats with different styles. The designs are various, from the simple with straight lines to the most intricate, geometrical decors. Each pattern can be created by mixing different finishes.
